WHAT'S BEEN HAPPENING

What a fantastic start to the term it has been! The children have settled back in beautifully, and it's been wonderful to see so many happy faces each afternoon. We've been getting into the Halloween spirit by transforming our space with spooky decorations and colourful artwork. The children have loved helping to decorate the room — from hanging cobwebs and paper bats to making their own Halloween crafts like pumpkins, ghosts, and lanterns. Their creativity has really brought the space to life! We're so proud of the way everyone has been engaging and supporting each other. The positive interactions between children and educators have made for a warm, welcoming atmosphere, and it's been lovely to see so many friendships continuing to grow.
