

WORKING WITH CHILDREN CLEARANCE PROCEDURE AND REGISTER POLICY

If you need help to understand the information in this policy, please contact the School via phone on 03 9216 3400 or email: beveridge.ps@education.vic.gov.au

PURPOSE

To ensure compliance with the requirements of the Minimum Standards for school registration, including the Child Safe Standards, Beveridge Primary School maintains a register of all employees, volunteers and visitors (including contractors) Working with Children Clearance (WWCC) details, where they are required to have one under the *Worker Screening Act 2020* or under our school or department policies.

The register includes each person's:

- name
- clearance number
- expiry date
- date check was last verified
- employee or Volunteer card

This procedure outlines how our school maintains this register. It also outlines the required process for entering WWCC and Victorian Institute of Teaching (VIT) registration information onto eduPay.

VIT registration and WWCC requirements

All employees of Beveridge Primary School employed to undertake teaching duties must be registered with the VIT. This includes Casual Relief Teachers (CRTs). Staff with VIT registration do **not** also require a WWCC.

All employees of Beveridge Primary School employed as education support staff or in roles that are non-teaching roles must have a current WWCC (unless they have VIT registration).

Employee VIT registration and WWCC details must be recorded in eduPay. Procedures for staff to enter VIT registration and WWCC details into eduPay are set out in the [Update Victorian Institute of Teaching and Working With Children Check card details](#) quick reference guide.

All volunteers and visitors (including contractors or staff placed through agencies/third parties) who are engaged in child-related work or are required to have a WWCC under our school's Volunteers or Visitors policies will be required to provide evidence of a current WWCC.

Volunteer and visitor WWCC details will be recorded in our WWCC Register.

Any employee, volunteer or visitor who does not have a current satisfactory WWCC or VIT registration where required under this procedure, will be removed from their duties until such time as they provide satisfactory evidence of their clearance.

WWCC Register

Our school maintains the WWCC Register in User Drive (U): WWC > WWC Registered Spreadsheet, WWC Status Check and Electronic Copies from June 2026 or SAMS4SCHOOL. Previously hard copies are kept in a file in the office. Adding new employees, volunteers and visitors to the WWCC Register.

Beveridge Primary School front office staff is responsible for sighting, verifying and recording WWCC information for any new employee, volunteer or visitor (where applicable), under the following process:

1. Record the relevant WWC clearance details in the WWCC register- UDrive (*Local: Volunteers, Parent helpers, Parent & Friends committee etc*) or SAM4SCHOOLS
2. Ensure the WWCC card type is correct (Employee or Volunteer)
3. Verify the WWCC:
 - If checking the status of multiple WWCCs, copy the last name and card number into the [sample CSV file from the Service Victoria website](#), submit to the online [Working With Children Status Checker](#) and wait for an email with the results of the status check
 - If checking the status of a single WWCC enter the last name and card number into the online [Working With Children Status Checker](#)
 - If checking the status of a Digital Working with Children Check, use the Service Victoria app on a mobile device to scan the QR code on the digital card. Get the Service Victoria app [from Google Play](#) or the [App Store](#)
4. Record the date the WWCC was verified on the WWCC register and copy paste the status check message or expiry date provided by Service Victoria into the WWCC register or SAM4SCHOOLS
5. Save the WWCC register in User Drive (U): WWC > WWC or SAMS4SCHOOLS
6. Retain a copy of any documentation sent by the Department of Justice and Community Safety (such as the letter of confirmation for employees and any volunteers or contractors who have listed the school on their WWCC details), and records of any other child safety suitability checks (such as reference checks) in the employee file or relevant file for visitors and volunteers WWCC information.

Ongoing maintenance of the WWCC Register

- proactively check a person's WWCC status at least once every 12 months to check for any status changes
- periodically review their WWCC register to anticipate upcoming expiry date and take steps to remind card holders close to expiry to renew their WWCC – this can be done at the same time as the WWCC status check process or more regularly depending on the process established at the school

The following process is in place at Beveridge Primary School for ensuring the WWCC information in our register remains current and that no employee, volunteer or visitor is working at the school without a valid WWCC.

1. At the beginning of each school year front office staff will copy the last name and card numbers of all entries in the WWCC register into the [sample CSV file from the Service Victoria website](#), submit to the online [Working With Children Status Checker](#) and wait for an email with the results of the status check, to check if there have been any changes to a person's WWCC status.
2. Where a person's WWCC status has changed to indicate a concern (eg expired, suspension or revocation of clearance) the front office staff will inform the principal immediately and steps will

be taken to ensure the person is removed from their duties until such time as they provide satisfactory evidence of their clearance or evidence that they have applied for a check as per the Department's [Working with Children Checks and other Suitability Checks for School Volunteers and Visitors guidance](#).

3. At the same time as running the check front office staff will note where clearances are due to expire during the year
4. Where the check is expiring during the year front office staff will contact the WWCC holder to remind them that their WWCC is due to expire and to request updated information once it has been renewed
5. When the updated information is provided the information is entered into the school's WWCC register and validated as per the procedure above for adding new entries.

Employee VIT or WWCC information on eduPay

Upon engagement of a new employee Beveridge Primary School Human Resource Manager will follow the [eduPay User Guide: School Appointments](#) to ensure they are properly entered into eduPay (regardless of whether they are Department or school council employees) including:

- checking that employees have been entered correctly as either a teacher (if they are performing teaching duties) or education support staff, and that valid and current VIT registration or WWCC information (as applicable) has been entered into eduPay by the staff member
- for employees who have entered WWCC information, checking that the card type is entered as 'Employee' and verifying the WWCC details through the process outlined above.

VIT registration status is verified and monitored through a centralised process between VIT and the department and our school will be informed by the department of any change to VIT registration status that requires action.
