Dear Parent/Guardian,

Beveridge Primary School is looking forward to another great year of teaching and learning and would like to advise you of the school's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

Our parent support has allowed us to organise and coordinate rich, extensive programs outside of the traditional teaching and learning programs. Our reading and numeracy materials are very extensive, and we are constantly adding new material for teachers to use to support personalised and quality learning. Your financial contributions assist us with the purchasing of art, music and physical education equipment and resources, which in turn, supports them to be exemplary programs which benefit and enhance your child's learning experience at Beveridge Primary School. We have a range of payment options available to our families for our voluntary financial contributions, including a flexible contribution plan which can be arranged through Compass.

We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours Sincerely,

Christine Cole

Principal
