WHAT'S BEEN HAPPENING

Over the past two weeks, we've enjoyed celebrating National Vegemite Day, International Picnic Day, and National Insect Week!

Children tried cheese and Vegemite scrolls and created posters featuring Aussie animals. For Picnic Day, we shared afternoon tea on a mat with games and social time. During Insect Week, children made spider crafts, butterfly masks, and even explored (fake) bugs in a mystery box challenge!

These activities supported creativity, social interaction, and sensory play—all while having lots of fun!

As the term comes to a close, we want to thank all our children and families for another fantastic few months at Team Kids. From creative crafts and outdoor adventures to themed celebrations and exciting games, it's been a term full of fun, learning, and friendships. We're so proud of the way the children have engaged, shared, and grown together. We look forward to seeing you all next term—have a safe and happy break!
