## WHAT'S BEEN HAPPENING

The past couple weeks have been so exciting here with TeamKids. We have had some national days such as National Vegemite Day which was on the 16<sup>th</sup> of June, the students made some delicious vegemite scrolls as part of our cooking club to combine with National Vegemite Day. It was also National Picnic Day on the 18<sup>th</sup> of June in which we got the students to get into pairs to make their own pizzas so we could have a picnic with our freshly baked pizzas, toasted garlic bread and some seasonal fruits. When our families picked up their children, we asked if they could take a cookie they made and a small milk to take home. Some cheeky little siblings got some too! We have been focusing on doing group activities so the students can build some new bonds to get ready for VAC!

### TK POINTS:

We are implementing a new TK point system which is our highest prize. It is a token that is given during random times throughout OSH if a student is being respectful, showing TeamKids values, helping someone when needed and just doing the right thing.

This week Ysabel Datiles has gotten our first TK point. She has received a TK point for saying good morning to myself and Taryn every morning, packing up things she did not do, being extremely nice and caring to peers. She shows such good role model skills and considering this is her first term at this school she has thrived. Congratulations Ysabel!
