## WHAT'S BEEN HAPPENING

Oh how fun it has been, especially last week for our Lunchtime Legends, we had a ..... DISCO!!!!

We practically had the whole school come down our TeamKids room and joined us for a Disco! We closed all the blinds, made it really dark and had some disco and fairy lights. The children got to use our costumes, streamers, you name it we had it! We played games such as musical freeze and limbo, how loowwww can you goooo!! What an amazing bonding experience, I would not have changed it for the world and cannot wait to do more exciting things like this again.

During after school care, whilst the weather was warmer, we were outside the whole time. Doing some good old chalk painting, to just having fun listening to music and dancing. As we all know KPop Demon Hunters is a thing now, all the children want to listen to it 24/7. Tell me why I am waking up somehow playing the song Golden in my head haha. It is always amazing seeing how different generations are, now, I guess, we are all in the KPop generation! Whatever makes the students happy☺

### TK POINTS:

We are implementing a new TK point system which is our highest prize. It is a token that is given during random times throughout OSH if a student is being respectful, showing TeamKids values, helping someone when needed and just doing the right thing.

The second person to receive a TK point for term 3 is..... Atipa Ncube! He is a newer student to the school and this whole time I just thought he was a new addition to TeamKids as that is how comfortable, confident and respectful he is. He has made so many friends and puts a smile on everyone faces. The way he uses his manners and makes sure everyone is okay is so beautiful to see. Keep being you Atipa, you are a star and will continue to shine!
