December 1st
December 12th

Week 1—5th October 2023

PRINCIPAL REPORT

Dear Families,

Welcome back to school for Term 4. It is amazing how quickly the school year is passing by.

I hope everyone had a wonderful two week break and are ready for a big term of learning and exciting events. Welcome to our new students, and families, to Beveridge PS. We also have some new staff members who have joined us this term.

Upcoming Events

We have another jam-packed term of events ahead of us. We have the regional athletics day, Gr.2&3 Disco Night, Gr.2 Pet Incursion, Student Leadership Day, transition days, Gr.6 Graduation and excursion; just to name a few. A reminder to parents to please make sure you continue to access the Compass portal to give consent and make any associated payments.

First Aid and CPR Training

This week, and next, our staff are undertaking their First Aid and CPR training afterschool. This ensures that we have all staff trained in up-to-date processes and procedures, and therefore can respond to any incidents and/or emergencies promptly.

School Hats

A reminder that all students must bring and wear their school hat during recess and lunch time play breaks during term 4. We do have hats for sale at both campuses if you need to purchase one. If parents are unable to attend the office to purchase a hat, you are welcome to ring through to purchase one over the phone. Hats are \$15 each.

We do follow a No Hat, No Play rule and students will be required to stay indoors and/or in shaded spaces if they do not have their hat.

Traffic Changes

Ambrosia campus - You will have seen that the road works have been completed along Plume St and Camerons Lane. As a result, the intersection has changed at the corner of Plume St and Ambrosia Way, therefore cars are no longer able to turn right out of Ambrosia Way into Plume St. Please make sure you are familiar with the change.

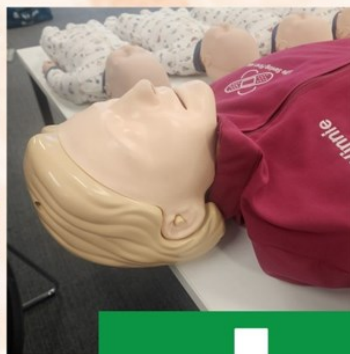

Arrowsmith campus - I have met with the Mitchell Shire Council to review the traffic management plan for the junior campus. We will be working together to hopefully come up with a plan that will allow a better flow of traffic for drop off and pick up times. Further information will be communicated once the plan is finalised.

I hope it has been a wonderful first week back for all.

Yours sincerely,

Our Beveridge Primary School Values: Excellence - Respect - Togetherness - Resilience

Beveridge Primary School aims to be a safe welcoming and engaging community. We value inquiring minds and encourage the best in all.

Staff will be completing First Aid training and CPR refresher courses this term. First Aid training for our staff ensures staff members are confident and comfortable in responding to emergency situations if a student, visitor or staff member is unwell .

Mr McMurray receiving first aid assistance.

Mr McMurray moving to the recovery position

BPS

Coin Challenge is coming in Term 4!

Start collecting your coins for our annual COIN CHALLENGE.

Classes will be collecting coins during weeks 1 to 4.

The winning class on each campus will get to choose their prize.....either a movie and popcorn OR a free dress day.

Money raised is used to purchase literacy resources for the school.

Beveridge Primary School : Breakfast Club

Dear Parents and Guardians,

School Breakfast Clubs Program is now at Beveridge Primary School!

Our Breakfast Club runs each **Monday** and **Wednesday** at the **Arrowsmith campus from 8.25am to 8.45am** and at the **Ambrosia campus from 8.40am to 9.00am**.

Delivered by the Victorian Government in partnership with Foodbank Victoria, the program provides healthy meals to help students focus better and participate fully in their education.

Our Breakfast Club aims to ensure students start the day with a healthy meal to improve concentration throughout the day.

To run a successful Breakfast Club, we are seeking dedicated volunteers from across our school community. If you, or someone you know can assist, we would be very grateful.

We aim to create a team of volunteers to help set up, serve food, pack up and engage with the students.

If you are available and interested in assisting on one or more days, please contact our **Breakfast Club Program Coordinators: Amanda and Maxine,**

Phone: 9216 3400

Email: Beveridge.ps@education.vic.gov.au

SPORTS AT ARROWSMITH

Our Foundation classes will be working on their gross motor skills this term.

Today Foundation C had fun running and jumping on the basketball court. Gross motor skills help us control large muscle groups for movements that require speed and strength, like that of running and jumping.

BEVERIDGE PS TEAMKIDS NEWSLETTER

WHAT'S BEEN HAPPENING

Welcome back to all Beveridge Staff and families, we hope you all enjoyed the 2 week holidays.

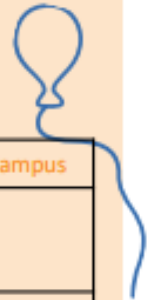

We have a few exciting events planned for this Term. For our first week back we have been learning all about space for world space week, including lots of fun space themed crafts, activities and even some space themed baking. We will also be celebrating our wonderful teachers on Thursday the 5th of October for World Teachers day.

As it is a new term the children will be voting in session and signing up to specific clubs they would like to see be run in Team Kids this term, so each session we will be running activities from each club we offer so they can see what type of activities are involved in each.

REMINDERS

We would also like to remind all families that no family members under the age of 18 are authorized to collect your children from Team Kids. It is important due to safety reasons to walk your child into oshc or contact the staff via the mobile numbers provided so that if available, a team kids staff member can help with a solution. With it being Term 4 it is important that each child attending has a hat, and they're own sunscreen if they have allergies to certain ones as with the weather hopefully improving, we will be spending some time outside.
