PRINCIPAL REPORT

Dear Families,

Thank you to all families who attended the parent teacher conferences on Wednesday. I hope the time was beneficial to meet with your child's classroom teacher to discuss learning progress. And, I hope you all got to see all the students' artwork on display at the campuses.

Please note that Luke McMurray is Acting Campus at Ambrosia at the moment whilst Helen Bouris is on leave.

NAPLAN Data

This week schools have received some initial NAPLAN data from the assessments the grade 3&5 students undertook in term 1. This data will support the school data collected by teachers to inform us of the next steps in teaching your child. We are still awaiting delivery of individual student results, which we will then post home to families. A notification will be sent via Compass when this takes place.

Big Sister Program

Today we ran the first, of two, sessions of the Big Sister Experience for all our grade 6 girls.

Remember to save the date for our **online parent/family session on Aug 10th from 6:30 - 7:30pm**. This session will be open to all families from across the campuses with the theme of '*The Keys to Nurturing Resilient, Independent Young People*'. Please check out the program website for more information: <https://bigsisterexp.com/family-programs/>

Upcoming Sports

We have our grade 5&6 students participating in Interschool Sport tomorrow, an AFL clinic booked in for the next two weeks and District Athletics coming up at the end of week 7.

100 Days at School

Next Wednesday our Foundation students will be celebrating their '100 days at school'! We encourage students to dress up, with the theme being 100, and we will have a short parade at 9am on Wednesday morning.

Don't forget that all **Foundation 2024 enrolments due by next Friday 28th July**. Please contact the Office if you need enrolment forms.

Yours sincerely,
Christine Cole

SHAPES

Our grade 2 classes are looking at SHAPES.

They are learning about 2D shapes and 3D shapes, including their names and features.

What 3D shapes have faces, edges and vertices?

What common shapes do you see in your home?

WELLBEING

Our afternoon Wellbeing program supports positive relationships with students out of the classroom.

We give the children a chance to chill out and learn new skills while interacting with staff and peers.

We offer many different programs like cooking, puzzles, Lego, sports, drawing, computer and library time.

Dear Foundation Families,

We have been counting the school days from the beginning of the year and we are nearly at 100! We are going to celebrate this special day on **Wednesday the 26thth of July**.

Students will be celebrating throughout the day with different activities in Literacy and Numeracy with "100" as the focus.

We will be starting the day with a parade at **9:00 am** on the basketball court. Parents and families are welcome to come along and watch.

To help celebrate students **may** choose to dress up to the theme of '100' for the parade. **Please be mindful Book Week is coming up in a few weeks, so students may also wish to dress up for the Book Week parade.** Students will also be making something in class for them to wear during the parade, such as a hat or glasses so there is no pressure if your child does not come dressed up.

Please see below for some ideas on dressing up if your child would like to participate.

Thanking you in advance,

The Foundation Team

BREAKFAST CLUB

Breakfast Club

Dear Parents and Guardians,

School Breakfast Club Program is running at our school every **Monday** and **Wednesday** morning.

Delivered by the Victorian Government in partnership with **Foodbank Victoria**, the program provides healthy meals to help students focus better and participate fully in their education.

Our Breakfast Club aims to ensure students start the day with a healthy meal to improve concentration throughout the day.

To run a successful Breakfast Club, we are **seeking volunteers** from across our school community. If you, or someone you know, can assist, we would be very grateful. We aim to create a team of volunteers to help set up, serve food, pack up and engage with the students.

If you are available and interested in assisting on one or more days, please contact our admin team for more information.

We are running our **PARENT HELPER** sessions on **Monday 31st of July**. If you would like to find out further information, please call our office.
