Week 2 –12th October 2023

PRINCIPAL REPORT

Dear Families,

Congratulations to our students who represented the school at the **Regional Athletics** competition at Meadowglen on Wednesday. A tremendous effort by all students. I know that all students, and Mr Rai, are already looking forward to next year's comp!

Grade 6 Fundraiser

Our senior students will be selling Zooper Doopers for \$1, every Friday at lunch at the Ambrosia campus, to raise money for their end of year graduation event. Arrowsmith students will also have Zooper Dooper Fridays in weeks 5-7.

Grade 2&3 Disco

All our year 2&3 students are invited to a fun after school disco party on Thursday 26th Oct from 5:30pm. Please make sure you have given consent and made the payment via the Compass portal. The students can look forward to a fun night of dancing and games.

Diwali Celebration Day Thurs 9th November

This year we will be celebrating Diwali at the school on Thursday 9th November. All students will learn more about the Diwali festival and have some fun activities. Students are invited to wear cultural dress on the day.

Traffic Reminder

Ambrosia campus - You will have seen that the road works have been completed along Plume St and Camerons Lane. As a result, the intersection has changed at the corner of Plume St and Ambrosia Way, therefore cars are **no longer able to turn right out of Ambrosia Way** into Plume St. Please make sure you are familiar with the change.

Life Cycle of Silkworms

Our Gr. 1 students are currently learning the life cycle of silkworms and have some special guests living in their classroom. The students will be able to watch the silkworms transform throughout the term. Brooklyn and Parker from 1B were very excited to share their little friends with me.

Yours sincerely,
Christine Cole

Our Beveridge Primary School Values: Excellence – Respect – Togetherness – Resilience

Beveridge Primary School aims to be a safe welcoming and engaging community. We value inquiring minds and encourage the best in all.

Dear parents and carers,

Many in our school community are affected by the devastating events in the Middle East.

All of us are upset and disturbed by the awful events depicted in media footage and images.

This time is particularly distressing for staff, students, families and carers who have family and friends in Israel and Gaza.

We are also aware that students of diverse backgrounds, including Jewish and Muslim students, may be significantly affected by public events, mainstream media coverage and social media at this time.

Please be assured that all staff are aware of the extreme emotional toll on many in our community at this time. But please also feel free to get in contact with any of the staff at our school if you would like to ensure we are aware of what your child is going through at this time.

Our support staff will continue doing all they can to support all our students, and support is also available for our staff.

I also want to assure you that the department is monitoring the situation from a school security perspective, and have advised there is no further action we need to take at this stage.

It is possible that extremely distressing scenes from the conflict may be posted online in coming days. Please ensure your children are aware of where they can find support in the event they come across such images. At our school, this includes members of our wellbeing team.

You may find some aspects of this resource helpful:

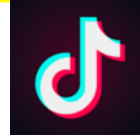

- [Helping my children after trauma: A guide for parents](#).

Support is also available through external services including:

- [headspace](#): 1800 650 890
- [Kids Helpline](#): 1800 551 800
- [Lifeline](#): 13 11 14
- [Beyond Blue](#): 1300 224 636.

My door is always open and I am sure we will all look to support one another in this very difficult time.

Christine Cole
Principal

Dear Parents,

Please be mindful and vigilant of your child using the social media apps Snapchat and TikTok.

According to the terms of service, users must be at least 13 years old to use and sign up to these app's.

Users have to enter their birth date to set up an account, but there's no age verification, so it's easy for kids under 13 to sign up.

Snapchat and TikTok are **recommended for teens 16 and up**, mainly **because of the exposure to age-inappropriate content, sexually suggestive and explicit material, and the marketing ploys**, such as quizzes, that collect data.

Please see the link below to give you more in-depth information about Snapchat and TikTok, and how to keep your child safe.

REGIONAL ATHLETICS

Yesterday we had 12 of our students compete at the Northern Metropolitan Region Athletics at Meadowglen Stadium. Well done to Matthew Sutton who received a 3rd place medal for shot put. All three relay teams were amazing and pushed really hard but didn't come away with a medal. Congratulations to our students for making it this far!

**GRADE
2**

The grade 2 students are enjoying the fitness stations this week. Each student has a chance to work on their skills and then at the end of the term see if they have bettered their initial record.

The skills they are working on are skipping, sit-ups, ball catching, ball bouncing, and step-ups to enhance fine and gross motor movement. Ms Leisos

Kids (8-11 yrs)	Small	12 Kids - 2 Adult Size
Older Kids, Teens & Women	Medium	2 - 8 Adult Size
Women/Men	Large	8 - 12 Adult Size
Men	X-Large	12 - 14 Adult Size

BEVERIDGE PS TEAMKIDS NEWSLETTER

9th -13th October

WHAT'S BEEN HAPPENING

Last week we had a blast learning about space and making amazing space-themed art. You will see in our reflection journals all the lovely pictures of your children engaging in the activities.

Next week we have a lot of fun activities planned around World Food Day on Monday the 16th, Pasta Day on Tuesday the 17th, and Wombat Day towards the end of the week. If your child has a suggestion for activities they would like to do please encourage them to let Adele, Mollie, or Emma know so we can make their weeks fun at TeamKids.

It has come to our attention over these last couple of weeks that some children are not bringing drink bottles to school. At TeamKids we encourage all children to bring a water bottle to school for times when we go outside and play.

REMINDERS:

We would also like to remind all families that no family members under the age of 18 are authorised to collect your children from Team Kids. It is important due to safety reasons to walk your child into OSHC or contact the staff via the mobile numbers provided so that if available, a team kids staff member can help with a solution. With it being Term 4 it is important that each child attending has a hat, and their own sunscreen if they have allergies to certain ones as with the weather hopefully improving, we will be spending some time outside
