PRINCIPAL REPORT

Dear Families,

This week our Foundation students have celebrated their 100 days at school! Congratulations to all students! Lots of wonderful dress ups by our students, and their teachers. Thank you to all families who were able to attend the parade.

Young Leaders Day

Tomorrow we have our Grade 5&6 student leaders off to their second leadership training day being held at Kilmore PS. This is a great opportunity for our students to improve their skills whilst also interacting with other like minded students from neighbouring schools.

Big Sister Program

Our Grade 6 girls thoroughly enjoyed day one of the program last Thursday and are very much looking forward to day two on August 10. Remember to save the date for our **online parent/family session on Aug 10th from 6:30 - 7:30pm**. This session will be open to all families from across the campuses with the theme of 'The Keys to Nurturing Resilient, Independent Young People'. Please check out the program website for more information: <https://bigsisterexp.com/family-programs/>

Late to School

We are noticing an increase in students coming late to school. A reminder that students are expected to be seated in their classrooms by the following times: Arrowsmith St Campus 8:45am and Ambrosia Way Campus 9am.

Employment Opportunities

We are currently advertising for two classroom teachers, a Wellbeing team member and CRTS to join the Beveridge PS team of staff. Due to statewide staffing shortages we are finding it very difficult to fill these positions. Please feel free to share these employment opportunities amongst your networks and friends. Anyone interested can contact myself or a member of the admin team.

Don't forget that all **Foundation 2024 enrolments are due by tomorrow**. Confirmation of enrolment letters will be sent home from August 11th.

Yours sincerely,
Christine Cole

Beveridge Primary School aims to be a safe welcoming and engaging community. We value inquiring minds and encourage the best in all.

Summer Sports

On Friday the 21st of July the year 5s and 6s went to either Assumption College or the Wallan stadium. The sports at Assumption were cricket, softball and rounders. I played rounders. When we got to Assumption we played Broadford burrows, and we beat them. Throughout the tournament we went undefeated and overall the day was fun. When we got back to school we did kahoot and the day was over.
Ryan B - 6B

On Friday 21st of July the grade 5s and 6s competed in the district summer sports. I was playing basketball. Our team's first game was great as we won by a lot. We had 1 hour and 30 minutes until our next game so we went around the stadium watching other teams play, then the lovely Ms. Rosanhain bought us some hot chips and Millie got us some candy. Our next 2 games were against teams from our own school, and although both those teams were really good, we won and got into semi finals and finals. In the finals we lost against Wandong. We were really proud of how we played so we didn't really care but we were kind of mad at the ref because he didn't call out the other teams fouls, even though we didn't make it to grand final we had fun and we represented our school fantastically.
Gurnoor K- 6B

ENROLMENTS & UPCOMING SCHOOL TOURS

2024 enrolments are now open. Please contact the office at either campus for all enrolment enquires. Foundation enrolments will close on Friday 28th July.

School tour dates will be operating at Arrowsmith on the following days:

- Monday August 21st - 9:30am
- Tuesday December 12th – 4pm @ **Ambrosia**

To book in to attend one of these sessions, please email beveridge.ps@education.vic.gov.au

Foundation Transition days will run in term 4. Further details will be provided once your enrolment has been confirmed.

SECONDHAND SALE @ AMBROSIA

Shorts, skirts & tracksuit pants \$2.00

Jumpers, dresses, t-shirts \$5.00

EFTPOS is available.

If you have any good condition second hand uniforms to donate we would really appreciate it.

Foundation A **100 DAYS OF SCHOOL**
We had a picture of what we might look like when we turned 100 and then we wrote about the things we would do when we are 100.
Dahlia thought she would like to have a pizza party when she is 100! What a great idea!

When I am 100 I will...

have a pizza party

Foundation C

We did lots of activities at school based on the number 100 to celebrate our 100 days at school.

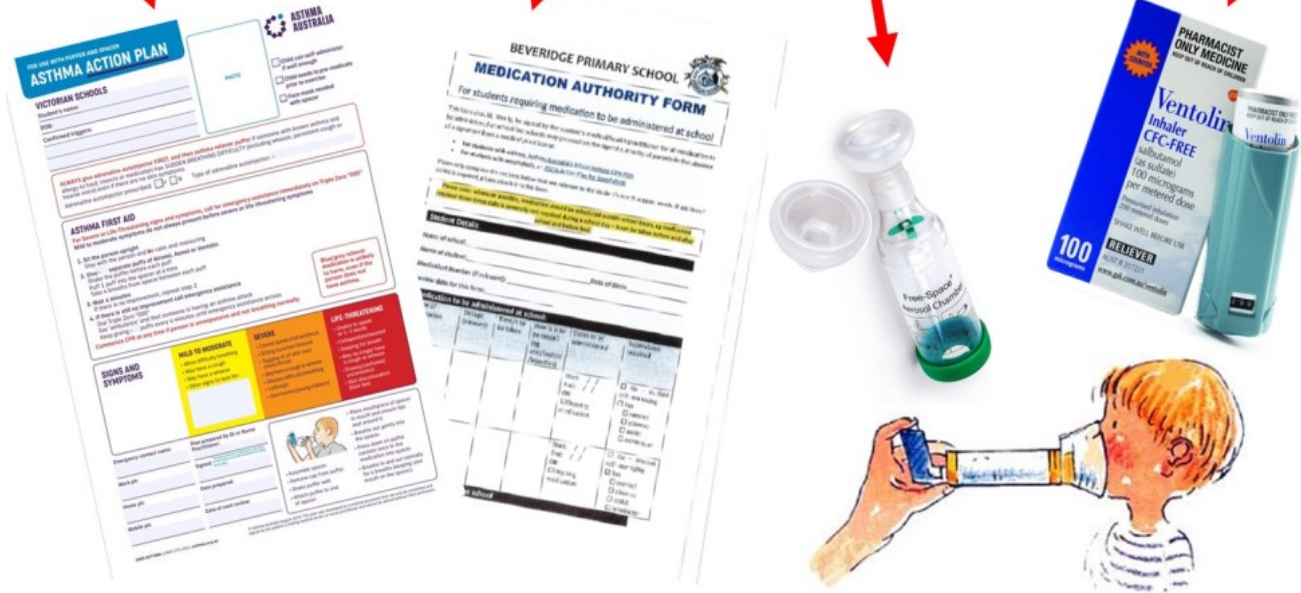

Look at the monsters we made!

ASTHMA MEDICATION

Asthma Plan (example), to be filled in by your doctor . There are many different plans available, this is an example of one you may see.	Medication Authority (example below) allows us to give your child the medication they require while at school .	Spacer clearly marked with your child's name. There are many different types of spacers.	Medication in original packaging clearly marked with your child's name on it.
--	---	--	---

Your child's Asthma may flare up in the cooler months. Cold and dry air conditions make it harder for our lungs to do the things they need to in order to make our breathing easy and keep us healthy. Colds, flu and viral infections are a common trigger for Asthma flare ups as well.

If your child has Asthma, please make sure we have all of the appropriate paperwork and medication at school.

It is important to make sure your child's Asthma is managed all year round.

Dear parents, guardians and carers

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Kind regards

Principal

BREAKFAST CLUB

Dear Parents and Guardians,

School Breakfast Club Program is running at our school every **Monday** and **Wednesday** morning.

Delivered by the Victorian Government in partnership with **Foodbank Victoria**, the program provides healthy meals to help students focus better and participate fully in their education.

Our Breakfast Club aims to ensure students start the day with a healthy meal to improve concentration throughout the day.

To run a successful Breakfast Club, we are **seeking volunteers** from across our school community. If you, or someone you know, can assist, we would be very grateful. We aim to create a team of volunteers to help set up, serve food, pack up and engage with the students.

If you are available and interested in assisting on one or more days, please contact our admin team for more information.

We are running our **PARENT HELPER** sessions on **Monday 31st of July**. If you would like to find out further information, please call our office.

TUNING IN TO KIDS

A FREE six session program for parents of 2-10 year olds

Would you like to learn how to

- be better at talking with your child?
- be better at understanding your child?
- help your child learn to manage their emotions?
- help to prevent behaviour problems in your child?
- teach your child to deal with conflict?

Fridays 9:15am - 11:15am
starting 28 July to 1 September 2023
Kilmore Primary School, Kilmore

Register online
or call Central Intake 1800 161 306

This workshop is for parents and/or carers in the Goulburn Region (Greater Shepparton, Mairā, Strathbogie, Mitchell and Murrindindi)
