

WHAT'S BEEN HAPPENING

During the past couple weeks, like promised, we have done some Indigenous activities. One that we, as staff and the children, enjoyed most was Indigenous Hand Paint. The students painted their hands the same colours as the Aboriginal colours and then stamped their hands on a piece of paper, following decorating it however they want. This is now on our wall! The students have been enjoying our art attack so far; by using chalk outside every time to other art activities in doors... the students have really been having fun!

A little reminder for all parents/guardians to please make sure you are booking your children in advance, I understand on some occasions you may not know until the day of, however if that is the case your child is NOT guaranteed a spot as at times we are fully booked and cannot allow your child to attend due to ratio purposes! Also, if your child did not attend school, please give us a message so we can cancel their booking for more space to open up! Any issues or concerns, do not hesitate to contact us! ☺

TK POINTS:

We are implementing a new TK point system which is our highest prize. It is a token that is given during random times throughout OSH if a student is being respectful, showing TeamKids values, helping someone when needed and just doing the right thing.

The first person to receive a TK point for term 3 is..... Sophie Henden! She has absolutely been amazing during both before and after school care. Sophie's willingness to do every job for TeamKids, in terms of cleaning, monitoring behaviours and using her manners is perfect. She is such a good role model and continues to surprise me daily with how much she wants to be better! Thank you, Sophie for being a mini educator, keep it up!
