WHAT'S BEEN HAPPENING

STEM-tacular Fun!

Our **STEM Club Adventure Series** has kicked off this term, and the lab coats (and curious minds!) are ready. Each week, children will dive into exciting hands-on science experiments, exploring the “how” and “why” behind the wonders of our world. Get ready for fizz, pops, and plenty of “wow” moments!

The Great TK Boat Off!

Anchors aweigh — the **TK Boat Off Challenge** has begun! Teams of budding engineers are designing and building boats from recycled materials. But here’s the twist — they have to make sure their boats actually float! From brainstorming blueprints to splash-test trials, the challenge is on to see which designs sail to victory.

Book Week Bonanza!

It’s Book Week, and we’re celebrating in storybook style with our **Book Week Party!** Children can dress up as their favourite characters, share treasured tales, and join in themed games and activities. It’s the perfect way to inspire imagination, creativity, and a lifelong love of reading.

Thank you for being part of our OSHC community — where learning is always an adventure!

IMPORTANT DATES

FRI 15TH AUGUST

Book Week Party!

FRI 22ND AUGUST

Pupil Free Day | Bookings available

LUNCHTIME LEGENDS

Date to be confirmed – Keep an eye out!
