

BEVERIDGE AMBROSIA TEAMKIDS NEWSLETTER

WHAT'S BEEN HAPPENING

As we come to the end of the term, we have been busy wrapping up our clubs and celebrating the wonderful learning and creativity that has taken place. In **Cooking Club**, the children explored new recipes, built their independence in the kitchen, and enjoyed sharing their delicious creations. **STEM Club** sparked curiosity and problem-solving as students experimented, built, and tested their ideas, while **Art Club** gave everyone the chance to express themselves through different mediums, creating pieces they were proud to showcase.

This term has been full of fun, teamwork, and learning across all our programs. We thank the children for their enthusiasm and the families for their continued support. As we head into the **school holidays**, we look forward to an exciting holiday program filled with new activities, experiences, and opportunities for the children to explore and enjoy.
